Subject: Call from Jason Herzog

Shayne & Jennifer,

I wanted to let you know that I received a call from Jason Herzog (Averhealth) on November 14th. He called from a number unknown to me and I answered.

He said that he had some information for me and that he had some information to share with me. He said that he found out that the Attorney General's office had received a complaint regarding Averhealth going directly to the mass spectrometer for all Michigan DHHS tests and that they were not doing the initial screening of samples. He also indicated that the complaint was investigated and Averhealth was found in no way at fault and provided accurate results for Michigan clients. He made it sound like Averhealth was vindicated and perhaps Averhealth again provide drug testing services to MDHHS.

I told him again that I am not involved with the contract at this time and have no knowledge of any complaint or issues with Averhealth and only know that MDHHS suspended use of Averhealth while an investigation is completed. I have no idea who is investigating or where in the process the investigation is.

Just wanted to let you know.
